**Luminopia Joins MHPA as a Gold Level Partner**

(WASHINGTON, DC) – A pioneer in the treatment of neuro-visual disorders, Luminopia has joined MHPA as a gold level partner. MHPA’s Partner Program is an annual membership opportunity designed for businesses and organizations operating in the Medicaid space to engage with MHPA and its health plan members.

“Innovative businesses like Luminopia play an important part in enhancing outcomes of Medicaid enrollees. MHPA’s partnership with Luminopia strengthens our ability to connect with leading edge companies who are actively engaging our diverse populations, share solutions and support advances in Medicaid care delivery,” said MHPA President and CEO Craig A. Kennedy, MPH.

"Luminopia is committed to expanding access to breakthrough pediatric treatments. Joining MHPA as a gold partner allows us to expand our advocacy for the pediatric patients we serve, particularly as we work to ensure fair and consistent access to amblyopia care for all children. We're proud to support MHPA's work to enhance the delivery of comprehensive, cost-effective, and quality health care for Medicaid enrollees," said Scott Xiao, CEO, Luminopia.

MHPA’s Partnership Program offers unparalleled access to the association’s events and experts, as well as unique opportunities to build strong relationships and exchange ideas with Medicaid managed care leaders.

###

**About MHPA**

Founded in 1995, Medicaid Health Plans of America (MHPA) is the only national association that solely represents the interests of the Medicaid managed care industry. Through its advocacy and research work, MHPA supports innovative policy solutions that enhance the delivery of comprehensive, cost-effective, and quality health care for Medicaid enrollees. MHPA works on

behalf of its more than 160-member health plans which serve more than 49 million Medicaid enrollees in 40 states, Washington, D.C., and Puerto Rico. MHPA's members include for-profit and non-profit national, regional, and single-state health plans that compete in the Medicaid market. Visit [mhpa.org](http://mhpa.org) for more information.

**About Luminopia, Inc.**

Luminopia, Inc. is pioneering a new class of treatments for significant neuro-visual disorders. Luminopia is committed to creating digital therapeutics that are both rigorously evaluated for FDA approval and genuinely engaging for patients. The company is an Innovation Partner of Boston Children's Hospital and developed its lead product to improve vision in children with amblyopia, the leading cause of vision loss among children.
